HERITANCE KANDALAMA

An architectural wonder overlooking the world's eighth wonder, Heritance Kandalama is an eco-hotel, stretching a remarkable 1km and is built flush against a jungle-clad cliff-face. Marrying classy with eco aesthetics and natural habitat, the hotel was designed by world-renowned architect Deshamanya Geoffrey Bawa and has been accoladed globally for its design and contribution towards sustainable living. The hotel's layout guarantees breathtaking views from wherever you stand; while the superior amenities and service ensure that guests receive the very best while on holiday. The hotel is the first LEED certified hotel in the world and first Green Globe 21 certified hotel in Asia.

+++++

SENTIDO HERITANCE NEGOMBO

Spanning across 6.5 acres of beach-front land, Sentido Heritance Negombo enjoys the widest beachfront for a hotel in Sri Lanka. Excellent stopover before heading in or out of the country, the hotel follows the concept of a city hotel by the beach, carefully marrying urbanity with originality with hints of a cultural connection. Adding to the street dining experience of destination Negombo, the hotel also offers multiple dining offers, just outside of the property. The service a guest receives here is on par with world's best hotels and embraces the spirit of a Heritance property.
